Case No. 24-mc-00094

**UNITED STATES' SUBMISSION OF  
PROPOSED REDACTIONS**

1           The United States submits herewith, under separate cover, proposed redacted versions of  
2 certain documents already in the Court's case file for this matter. The redactions conceal personal  
3 identifying information. With these limited redactions in place, the United States does not oppose  
4 the unsealing of this case file. *See, e.g., United States v. Business of Custer Battlefield Museum*,  
5 658 F.3d 1188, 1194 (9th Cir. 2011) (in regards to post-investigation warrant materials, "the  
6 privacy interests of the individuals identified in the warrants and supporting affidavits, are also  
7 important, but, in a particular case involving materials subject to the common law right of access,  
8 they may be redressed through a court's discretion either to release redacted versions of the  
9 documents or, if necessary, to deny access altogether, as we discuss below"); *Saunders v. City of*  
10 *Chicago*, 2017 WL 3082036, \*5 (E.D. Ill. July 19, 2017) (granting plaintiff's request to unseal  
11 "with appropriate redactions for personal identifying information"). *See also* Robert Timothy

1 Reagan, “Sealing Court Records and Proceedings: A Pocket Guide” (Federal Judicial Center 2010)  
2 at 21-22 (“When possible, redacted versions of sealed documents should be filed publicly.”).

Respectfully submitted on February 24, 2025.
